Helping Families Raise "Kid-Safe" Kids in a "Not-So-Kid-Safe" World

Over 800,000 Kids Go Missing Each Year

- 1 in 5 girls and 1 in 6 boys will be molested before their 18th birthday.
- A child is reported missing every 40 seconds, and one in four of these are abducted and molested.
- The typical sexual predator will assault 117 times before being caught.
- The re-arrest rate for convicted child molesters is 52%
- In 80% of all non-family abductions, the first contact occurs within a quarter mile of the child's home.

Crimes Against Children Growing

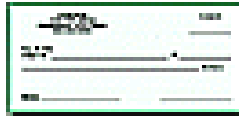

In the past, crimes against children were usually associated with big cities. Today, that is no longer the case. Sexual predators have found their way into small town America, and the Internet has connected the world.

Violent acts against children, including bullying, sexual predation, and abuse are on the rise both in big cities and rural communities.

Those who are victimized as youths often grow up to victimize others as adults. It is an endless cycle of violence that must be broken.

That's where **YOU** can help!

How YOU Can Help

We are funded through the generosity of both private and corporate donations.

Our biggest ongoing expenses are:

- Child ID Kits
- Printing & Distribution
- Office & Travel Expenses
- Internet, Website, & Equipment

Donations, large or small, help us defray our costs and continue our safety programs.

We need regular supporters to help us continue our ongoing Child ID enrollment efforts in the River Valley. Sponsors may elect to have their names or company logo printed on ID kits that are distributed free of charge to families who enroll their children at KSC events.
